

EVENTS

We offer private and public reservation spaces to suit all your needs. Birthday parties, rehearsals, baby showers, retirement parties, and corporate events, we have you covered!

OUR SPACES

Our private event space comfortably accommodates up to 90 seated guests. Featuring its own dedicated bar and bartender, the room is arranged with spacious round tables and optional tablecloths to suit your event's style.

Our taproom can host groups of 20 to 200 guests, offering a mix of low-top and high-top table areas to suit your event. For smaller reservations, we provide a reserved grouping of tables within the public space.
